Alcohol Consumption While on Tour:

Moderate alcohol consumption among adolescents remains an accepted cultural convention throughout much of Continental Europe. Such consumption, therefore, if in a relatively controlled setting, may be seen as an integral part of a student traveler's overseas experience.

Regardless of these cultural conventions, however, deciding whether or not to allow the moderate consumption of alcohol while on tour is at the sole discretion of each student traveler's parent(s) or guardian(s).

I further understand that the unauthorized consumption of alcohol, or the consumption of hard liquor, may result in disciplinary action to include immediate expulsion from the tour at my expense in accordance with EF Tours policy.
